

CAB High Visibility Fire Extinguisher Bags

Clean, dry, high visibility storage for fire extinguishers used in mines. Bags help ensure extinguishers will be ready to operate in emergencies. Also helps keep inspection tags from being vandalized, lost or damaged. Made from strong laminated nylon with clear top dome for checking gauges and tags. High visibility reflective band around entire bag provides faster identification of extinguisher.

Bag can be hung anywhere with heavy duty webbing top loop. For added strength, webbing encircles entire bag. Sturdy webbing side handles make fire extinguisher easier to carry. Quick access is provided when handles are pulled apart to open velcro seal which runs along the entire right side of bag. High quality construction and materials. Slip-over and custom bags available for extinguishers up to 150 pounds (68.2kg).
